#### INDEPENDENT AUDIT REPORT

To the members of the Police Federation of Australia

#### **Report on the Financial Statement**

I have audited the accompanying financial report of the Police Federation of Australia for the year ended 30th June 2013 which comprises the statement of financial position, the statement of comprehensive income, statement of changes in equity, statement of cash flows, a summary of significant accounting policies and other explanatory notes and the Committee of Management statement.

#### Committee of Management's Responsibility for the Financial Report

The Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Fair Work (Registered Organisations) Act 2009. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

#### **Auditor's Responsibility**

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### **INDEPENDENT AUDIT REPORT (continued)**

#### **Independence**

In conducting my audit, I have complied with the applicable independence requirements of the Australian professional ethical pronouncements.

#### **Audit Opinion**

In my opinion, the general purpose financial report of the Police Federation of Australia is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose report that has been prepared in accordance with Australian Accounting Standards, Accounting interpretations, other authoritative pronouncements of the Australian Accounting Standards Board that apply for the reporting period and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements, the Police Federation of Australia is a not-for-profit entity.

The financial report covers the Police Federation of Australia (the Federation) as an individual entity. The financial report has been prepared on an accruals basis and is based on historical costs and do not take into account changing money values or except where stated. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied unless otherwise stated. The financial statements are presented in Australian Dollars.

The following is a summary of the significant accounting policies adopted by the Federation in the preparation of the financial report.

#### **Accounting Policies**

#### (a) Income Tax

The Federation, being a trade union, is exempt from income tax including capital gains tax, by virtue of the provision of section 50-5 of the Income Tax Assessment Act 1997. However, the entity still has obligations for Fringe Benefit Tax (FBT) and Goods and Services Tax (GST)

#### (b) Cash and Cash Equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash. Bank overdrafts are disclosed as short term borrowings in current liabilities on the Statement of Financial Position.

#### (c) Investment Property

Investment property comprising land and building is held primarily for its own use as an office. All tenant leases are held on an arm's length basis. Investment property is carried at fair value, determined annually by the Committee of Management based on prices in an active market for similar property in the same location.

#### (d) Revenue

Revenue is recognised upon receipt of funds deposited into the bank account in relation to invoices rendered to all branches of the Federation. Membership incomes have been accounted for on a mix of cash and accrual basis. Membership fees outstanding at balance sheet date have been brought into account as amount due from branches. Membership fees relating to the unexpired part of the membership year are deferred and recognised as income in the next financial year. These are shown as receipt in advance on the financial report.

Interest revenue is recognised when received and credited to the bank account. Rental revenue is recognised in the period to which it relates. All revenue is stated net of the amount of goods and services tax (GST).

#### Depreciation Schedule for the Year Ended 30 June 2013

#### (e) Gains

Sale of assets

Gains and losses from disposal of assets are recognised when control of the assets has passed to the buyer.

#### (f) Property, Plant and Equipment

Each class of property and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

#### Property

Land and building is carried at independent valuation. The carrying amount is reviewed annually by the Committee of Management to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

#### Plant and Equipment

All other items of plant and equipment are recorded at cost less depreciation and impairment losses

The carrying amount of plant and equipment is reviewed annually by the Committee of Management to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present value in determining recoverable amounts

#### **Depreciation**

The depreciation rates and method are based on their estimated useful lives commencing from the time it is held ready for use. The depreciation rates and method used for each class of depreciable assets are:-

Asset Class	Depreciation Rate	Depreciation Method
Office Plant and Equipment	7.5%-20%	Straight Line
Motor vehicles	15%	Straight Line

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Income Statement.

#### Depreciation Schedule for the Year Ended 30 June 2013

#### (g) Employee Entitlements

Provisions for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment. Long Service Leave has been calculated with reference to period of service and current salary rates. Contributions made by the Federation to an employee superannuation fund are charged as expense in the statement of comprehensive income when paid.

#### (h) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor are charged as expenses in the statement of comprehensive income in the periods in which they are incurred.

#### (i) Goods and Services Tax (GST)

All incomes, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST. Cash flows are included in the cash flow statement on a gross basis – that is GST inclusive.

#### (j) Reserves

The Asset Revaluation Reserve records revaluation of non current assets – land and building. The revaluation surplus was transferred to the Asset Revaluation Reserve.

#### (k) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Federation during the reporting period which remain unpaid. The balance is recognised as current liability with the amount normally paid within 30 days of recognition of the liability.

#### (l) Comparative information

When required by Accounting Standards, comparative figures have been adjusted to confirm to changes in presentation for the current financial year.
